My name is Thomas Tobin and I work for Ecology and Environment, Inc. Our company, under Environmental Protection Agency Contract 68-07-6056, is charged with investigating, evaluating and recommending remedial action on uncontrolled hazardous waste site in EPA Region X. Under Technical Direction Document (TDD) 10-8203-04, we are charged with an extensive historical record search of the Western Processing Company, Inc., 7215 South 196th Street, Kent, Washington. Specifically we would like to know the following information:

- o When did Western Processing begin operations?
- o Was Western Processing always a corporation? If no, when did Western Processing become a corporation?
- o When Western Processing began operations, who was the owner of the company?
- o Who is the present owner of Western Processing?
- o Who are the present corporate officers of Western Processing, and what is their current address?

Enclosed is a letter of introduction regarding legality and confidentiality in obtaining this information. If you have any further questions about the contract or confidentiality, please phone Mr. John Osborn at the EPA, 442-0837.

If you have any questions regarding the information requested, please phone me at 624-9537.

Thank you.

Sincerely,

Thomas A. Tobin
